The Click Rail is a flexible picture hanging system that you mount to the wall. Using the Click&Connect system, mounting the rail system is fast and easy. The Click Rail may be installed flush against the ceiling and may also be repainted, for example in the same colour as the wall or ceiling. This helps the picture hanging system 'blend in' with the wall or ceiling, making it nearly invisible. The hanging rail's appearance makes it easy to integrate in any room or interior. You always have flexibility in hanging posters, pictures or photo frames thanks to the hanging wires with hooks that you can click into any desired location on the rail system.
